

## MOOR POOL: COVID-19 Neighbourhood Help

It is in these unprecedented times that Moor Pool's community spirit will come into its own.

We have been thinking about ways in which we can all play our part in helping our Neighbours – particularly our older residents and those with underlying health conditions.

In the event that self-isolation becomes a requirement for parts of the population, we are working to develop a co-ordinated plan focused on helping those Neighbours with the following things:

- Medication provision
- Food/supplies delivery
- Social Isolation

Our aim is to create groups of Volunteers for each road on the Moor Pool Estate. We will then allocate 2 x Volunteers from those groups to help individual Neighbours who need support. We will do this in a safe manner which prevents and limits the spread of the virus.

To do this we need your help. We need to identify two things:

1. Individuals who might **need help**
2. Volunteers who **can help** (and who are under the age of 70)

### **IF YOU NEED HELP**

If you need help, please contact us to let us know how we might be able to support you - either by emailing OR calling us as per below:

Jules Bellingham [jcbmoorpool@gmail.com](mailto:jcbmoorpool@gmail.com) or call Jules on 0797 0620415

### **IF YOU COULD VOLUNTEER**

Times like this are challenging. If you have any time to spare, to be kind, to help support vulnerable Neighbours, please consider Volunteering for our Moor Pool Covid-19 Volunteer Task Force. If you can help, could you please let us know:

- Your name
- Address – so we can allocate volunteers to roads
- Contact details – email and phone
- Skills – medical/logistics highly valued!!

Please send these through in the first instance to:

Jules Bellingham [jcbmoorpool@gmail.com](mailto:jcbmoorpool@gmail.com) or call Jules on 0797 0620415

Additionally, if anybody would like to be on the Task Force Co-ordinating Committee, we would really value your help/skills!

Please bear with us as we devise a co-ordinated plan for this. We will be in touch with you as soon as possible once we have your volunteer details.
